EDUCATION

Florida Atlantic University, Boca Raton — *Bachelor of Science in Computer Science (BSCS)*

AUGUST 2018 - May 2022

EXPERIENCE

[Vazkor Technologies](#), Boynton Beach, FL — *Full-Stack Web & Mobile Developer*

SEPTEMBER 2022 - FEBRUARY 2026

Developed polished, responsive web and mobile interfaces using **React**, **Next.js**, **React Native**, and modern **JavaScript** libraries, delivering seamless user experiences across platforms. Utilized **VS Code**, **NPM**, and **Cursor** as primary front-end developer tools.

Implemented scalable backend systems using **ASP.NET**, **C#**, and **SQL** for secure database operations between internal and external API services. Deployed and managed backend infrastructure on **AWS**, leveraging **S3** for storage and **RDS** for database management. Utilized **Visual Studio**, **NuGet**, and **SSMS** as primary back-end developer tools.

Applied DevOps and CI/CD practices using **Git**, **GitHub Desktop**, and **GitHub Actions** for automating build, test, and deployment pipelines. Collaborated closely with developers and QA teams using **Jira** and **Slack** to track bugs, deliver features, and support ongoing release cycles.

PROJECTS

CURE Auto Insurance Web & Mobile Services

SEPTEMBER 2022 - FEBRUARY 2026

While at **Vazkor Technologies**, contributed to **ASP.NET** service for insurance applications, along with **Next.js** and **React Native** services for policy management after approval.
